CHAMPION SCHOOLS SPORTS ROUND UP

BUCHANAN CUP

On Monday 14th October, the Buchanan Cup Grand Final was played at the Upper Great Southern Hockey Association in Narrogin. The match was between the 2018 champions Como Secondary College vs Great Southern Grammar. Having lost to Grammar in the Semi-Final round match of this competition, this was just as much a chance for redemption for Como as it was an opportunity to retain the title of Champion School for 2019.

The first half saw a reasonably tight affair. GSG had a considerable number of chances with goals eluding them. Como opened the scoring reasonably early, before Great Southern Grammar equalised. Como found the net a second time and the scores remained 2-1 for much of the first half. Como scored again late in the half and went into the break with a confident 3 – 1 lead.

As it turns out, this was a game of two halves. Como significantly raised the intensity early in the second term, netting twice within the first five minutes of the second term. They were able to stretch the capacity of Great Southern Grammar's defensive unit, and indeed the score line reflected this additional effort and quality of play.

The 8-1 final score line was convincing, and reflected the outstanding level of play from Como. Saysha Pillay was awarded the Ashleigh Nelson Player of the Match honorary medal. Congratulations to all involved in the Buchanan Cup. It has been a highly successful year.

HANDBALL

North Woodvale Primary School played host to the annual Champion Schools Handball tournament on Friday, 22nd November. Close to 250 students representing 21 teams from six primary schools took advantage of this opportunity to learn about the dynamic team sport of handball. The weather was great and so was the handball!

Highlights included positive sportsmanship, an impressive standard of ball control and the development of teamwork from one game to the next. The strategies and pressure on attackers led to creative ball use and more movement in and out of space in order to set up goals. Entertaining battles between attackers and goalkeepers produced some of the best jump shots and most courageous saves ever seen at Champion Schools Handball. All of these moments plus thrilling finishes, including six games decided by only a single point, drew loud cheers from spectators. Congratulations and thank you to the participating schools for their efforts in making this year's event a big success and giving so many students a fun and exciting interschool experience.

WATER POLO YEAR 7/8

Two superb days of competition for Year 7 and 8 students were held at HBF Stadium in November with 21 teams from 11 schools competing.

The sun was shining and lots of great water polo and sportsmanship was on display.

Congratulations to boys' winners CBC Fremantle and Corpus Christi and girls' winners John XXIII College and Melville SHS.

Thanks to Jamie Oberman, former Carine student and current Australian Junior player for assisting with the presentations and to Fiona Haigh who coordinated the day.

Thanks also to WA Water Polo for their amazing support once again.

FUTSAL

The Primary Futsal Girls and Boys Championships were a great success in 2019. The growth from 22 teams in the first (pilot) year to 38 teams in 2019 was pleasing. The feedback from the schools was fantastic with school principals really enjoying this new game that has been introduced into the Primary Champions Cup.

The final qualifying game played between Coogee and last year's Grand Finalist, Phoenix, was the pick of the games. The passion and excitement was something to experience!!! It had absolutely everything that one would want to see at a primary competition.

The State Championships finals saw South Coast Baptist College Girls and Boys play in their respective Grand Finals. The SCBC girls played last year's Champions Rosalie and won in a very tight game 2 goals to 1, while the boys played Coogee and had a more convincing win of 6 goals to 0. Both games were of a high standard and enjoyed by all who watched.

The enthusiasm and sportsmanship shown by players, parents and coaches was great to see at both the Regional and State Championships.

Looking forward to a bigger and better 2020.
