2009 PRESIDENT'S REPORT

SSWA celebrated 100 Years of operation having commenced way back in 1909.

On behalf of SSWA I wish to extend to you all a sincere welcome to the 2009 AGM and acknowledge the Life Members that are present today. I would like to extend a very warm welcome to our two new Life Members in Daryl Bell and Peter Rickers. Congratulations to both of these members for their contribution to School Sport WA.

School Sport WA is about providing quality sporting opportunities for all students. We offer quality sport events for schools at the domestic, interstate and international levels. The Association's development and operation is dependent upon the extremely valuable input from teachers who give of their time and expertise for the provision of sport opportunities for students. Support from school is an important aspect of our operation and we encourage feedback from them to enable further improvement in the delivery of our programs. The SSWA office is available to support and provide advice in matters related to the provision of sport for schools.

School Sport WA is always on the lookout for enthusiastic teachers to get involved in Sport committees, managerial and coaching roles to provide opportunities for students. Members are available to attend sport cell meetings and head of department meetings to promote events and the benefits of participation in SSWA organised programs.

School Sport WA has enjoyed a successful year with a number of innovations in management and program challenges that have added value to our product of quality competitive sport to students in all WA school. I would personally like to thank all Sports Convenors, Sports Coordinators and their committees and acknowledge their hard work, dedication and effort throughout the year in helping present our programs for students.

SSWA looks forward to 2010 not only for the challenge of ensuring continued high levels of participation in grass roots competition but also to the hosting of national championships in Perth. We will host the Baseball, AFL Football for 15yrs boys, 16 Yrs girls and 12 Yrs boys and Hockey for boys and girls. We salute and thank the 4,500 plus teachers who assist us in the presentation of our programs and we encourage them to recruit new enthusiastic teachers to help them run the programs ensuring that we have a succession plan in place for the future.

INNOVATIONS

- The continuation of the new format of the presentation evening was very successful and we may need to look for a larger venue.
- An inaugural Christmas Volunteer BBQ and Golf Day for Management Committee members, Sport Coordinators and Interstate Officials was well supported and proved to be a valuable way of rewarding and thanking our large family of volunteers.

SECONDARY SPORT

SSWA continues its commitment to all students in WA schools with a comprehensive and diverse offering of sporting opportunity. SSWA secondary sport continues to flourish, with our major events; Swimming and Track and Field increasing in number of competing students. Both the Senior High Schools Country Week and the District High School Country Week increased in size and participation numbers.

PRIMARY ADVANCES

School Sport WA Primary is fast establishing a reputation for the provision of high quality sporting events for primary schools. The School Sport WA Primary Management Group is developing its operational structure and is forming a management process that will bring it more into line with our eastern state counterparts. Our focus for Primary Schools is to offer the opportunity to be involved in centrally coordinated quality interschool events in a number of sports. We have continued to "Build the Base" at the primary school level and have fostered the stronger links with parent sporting bodies. The expansion in number and variety of sports presented, the increased participation numbers for events, and entry into the School Sport Australian 12 Years Championship Program is exciting and encouraging.

OUTSTANDING ACHIEVEMENT

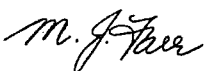

Congratulations to the following teachers who were appointed to School Sport Australia national positions in 2009.

- Sam Davis - John Forrest SHS - Coach Cricket - India.
- Robyn Brierley - Beeliar PS - Manager Basketball - USA.
- Brad Spicer - Belmont City College - Coach Basketball - USA.

CONCLUSION

I would like to take this opportunity to personally thank Daryl Bell for his excellent service to the Association over the past 3 years. His contribution has been outstanding and he has cemented strategies and guidelines for the expansion of the Primary area of SSWA into the future. I wish him all the very best for the future.

On behalf of School Sport WA I would like to thank the Office staff of Peter Smith, Daryl Bell, Wayne Baseden, Zoe Prue, Christine Sheen, Sally Zimis and the SSWA Management board for their excellent contribution to increased efficiencies, their professional work ethic and outstanding contribution in running and promoting School Sport WA. On behalf of School Sport WA, I applaud this generous donation of time that is freely given by so many of our volunteers; I believe participation in our programs allows students to achieve a wide range of educational outcomes. Once again I look forward to the coming year for your continued support, effort and dedication in helping organise and coordinate school sport as part of the wider family of School Sport WA.

MURRAY FARR
PRESIDENT, SCHOOL SPORT WA (Inc)

2009 PRIMARY MANAGEMENT COMMITTEE REPORT

The interstate Championship program took another positive step forward with the inclusion of Primary Hockey into the School Sport WA (SSWA) commitment to promoting sport in schools. The 12 Years State Schoolboys and Schoolgirls teams competed in Newcastle and performed creditably. The coaches and managers are to be congratulated for their involvement.

In 2010 the School Sport Australia Australian Rules Football Championship will be held in Perth. As it is a home event a 12 Years Primary State Schoolboys team will be selected and compete for the first time. The Championship will allow promotion of the sport in schools and also recognise the involvement of SSWA in extended competition.

For many years the Primary School Cross Country event has been held at Perry Lakes but with the impending closure of the stadium the committee investigated the option of another quality venue. The University of WA Sports Park in Mount Claremont was selected as the most suitable option and the 2009 event was successfully conducted. The venue provides a challenging course where all runners can be seen as they compete and the start/finish area allows spectators to vocally support and encourage their athletes.

School Sport WA was approached by Triathlon Australia to conduct the Primary Schools triathlon as a lead up event for the World Long Course Triathlon Championship. The SSWA event was moved from Nedlands Foreshore to Langley Park on the edge of the Swan River with the backdrop of Perth City. Athletes experienced competition on a world class course utilising the World Triathlon event infrastructure. This highly successful opportunity for students was a highlight of the sporting calendar.

There are a number of challenges ahead and to enable the Association to continue to evolve it is crucial that teachers be sourced and encouraged to participate in SSWA activities. Schools need to give priority to further developing and extending SSWA programs within their districts.

It is well acknowledged in sporting and educational circles that SSWA is the major provider of sport opportunities for students in Western Australian schools. The enormous amount of hard work completed by the office personnel can never be underestimated and with numerous domestic and interstate programs coordinated it can be seen that the office has an enormous task each year to ensure the success of a wide range of sport activities. Our sincere thanks go to Peter Smith, Wayne Baseden, Zoe Prue, Christine Sheen and Sally Zirnis for their professional input.

At the SSWA Annual General Meeting Alex McLennan was elected to the Primary Management Group. His extensive experience in the primary division will add to the vitality of the group.

It is with much regret and sadness that I will step aside from my current position as Executive Officer of SSWA and also the position of Primary Chair. I have thoroughly enjoyed my time working with dedicated teachers who have a passion for sport and am pleased that, in some way, I have been able to contribute to the development of the SSWA Primary sector and initiate extension of the number of sport opportunities for students in our schools. I acknowledge and thank SSWA for their support and encouragement over many years and was thrilled to receive Life Membership with the Association at the recent Presentation Dinner. Thanks also to Peter Della-Vedova, who has very ably stepped into the role of Primary Chair, and to the hard working members of the Management Group - Daryl Mansfield, John Lawniczak, Robyn Brierley and Alex McLennan.

DARRYL BELL
SSWA PRIMARY VICE PRESIDENT

2009 SCHOOL SPORT WA DIRECTOR'S REPORT

School Sport Western Australia (SSWA) celebrated 100 years of operation in 2009 having commenced way back in 1909. To coincide with this milestone SSWA is commissioning a visual and oral history of the association and interviewing key SSWA personnel. SSWA is also compiling a written record of Office Bearers, key officials and Interstate Team Officials.

SSWA hosted two national championships in 2009. The Secondary Football Championship was held at Lark Hill, Secret Harbour in August and the Swimming and Diving Championships were held in Perth in September. In 2010 SSWA looks forward to hosting the Baseball Championship in May, AFL Football Championship in July and the Boys and Girls Hockey Championships in August.

The office was staffed by Peter Smith - Director of Sport, Darryl Bell - Executive Officer, Wayne Baseden - A/Executive Officer, Zoë Prue - Sports Administrator, Christine Sheen - Finance Officer and Sally Zirniss - Education Department Trainee. I would once again like to commend Darryl, Wayne, Zoë, Christine and Sally for their outstanding commitment to SSWA.

The SSWA AGM was held in April and all management positions were filled. Murray Farr continues in the role of President with Peter Sinclair - Secondary Committee Chairperson and Darryl Bell - Primary Committee Chairperson.

Following teacher Industrial action during 2008 participation numbers for the Champion Schools competitions returned to normal participation levels in 2009.

In 2009 we had 54 schools compete in our Swimming Carnivals at Challenge Stadium and 51 schools in the Track and Field Carnivals at the new WA Athletics Centre. Our Primary and Secondary Triathlons attracted over 1000 competitors and more than 2500 athletes ran in the Cross Country events.

The School Sport WA interstate team program continues to grow. A total of 612 students and 86 team officials represented SSWA in our 2009 Interstate Team program.

The SSWA website continues to be a very valuable resource. The online nomination process has been very successful and schools are using the service heavily to nominate for our events. In 2009 all interstate team representatives were required to complete an online registration form to confirm their place in the team.

The 11th District High Schools Country Week was held in September with 36 schools and over 1000 competitors taking part. Badminton was included in DHS Country Week sports for the first time. The 71st Senior High Schools Country Week had 43 schools represented which is the largest number on record.

The SSWA Presentation Evening was held in December recognising team officials, sport coordinators, team captains, Australian representatives and medal winners. Special presentations were made to key officials involved in hosting our National events, State Sporting Associations and the Department of Education for their support throughout the year. Darryl Bell and Peter Rickers were announced as very worthy Life members of SSWA on the night. The event was held as a formal dinner for the second time and was a very successful function.

SSWA held an inaugural Christmas Volunteer BBQ and Golf Day for all Management Committee members, Sport Coordinators and Interstate Team Officials in December. The event was well supported and proved a valuable means of rewarding and thanking our large team of volunteers.

SSWA takes this opportunity to thank all students, teachers and key delivery agents who assisted in any way with the presentation of School Sport WA in 2009. Special thanks to the management committee, the sport coordinators and their committees for their untiring voluntary efforts. The substantial contribution of the SSWA office staff is acknowledged and they are thanked for their outstanding dedication to the efficient operation of the organisation.

SSWA would also like to take this opportunity to thank Darryl Bell for his outstanding service to the Association over the past 3 years. As Executive Officer, Darryl has made a substantial contribution to SSWA and overseen a huge expansion in the Primary sector of our organisation and we wish him well in the future.

School Sport WA looks forward with anticipation to another busy year in 2010 and to the continued support of teachers in schools who volunteer their time to planning and preparing teams for events on behalf of their students.

PETER SMITH
SSWA DIRECTOR OF SPORT
December 2009

2009 SECONDARY MANAGEMENT COMMITTEE REPORT

2009 was again full of activity for Secondary School Sport. As always, thanks are due to the vast number of teacher volunteers who conduct our Interstate and Champion Schools Competitions. Through their efforts, SSWA has reached tens of thousands of secondary school students.

SSWA competed in over 20 sports at secondary state level, welcoming Volleyball back for 2009. The SSWA Office conducted our flagship events of secondary Swimming and secondary Track and Field Carnivals; and again we saw increased numbers competing in the annual Country Senior High Schools Carnival and also in the District High Schools Carnival. Additionally, WA successfully hosted the School Sport Australia National Championships in Football, Swimming and Diving.

Champion Schools competitions were conducted in 28 different sports. 2009 saw the return of boys and girls Water Polo. Every school week of the year, thousands and thousands of school children engage in active, healthy, well structured sport through the Champion Schools Competitions.

The Secondary Management Committee continues to meet regularly to review policies and procedures as they relate to secondary school sport. During 2009 we welcomed new members to our committee and at the same time rewarded one with Life membership. Our heartiest congratulations go to Peter Rickers. This blend of experience and enthusiasm continues to reward us with ideas and energy. Thank you to our Regional Representatives for their ongoing work in linking SSWA and Sport in secondary schools. The network created through our regional representatives ensures we are linked directly to teachers in schools, allowing us to respond more directly to their needs. The activities of the South West Region continue to expand beckoning further growth in country areas. A challenge going forward into 2010 will be to prepare for the changing age groups in different carnivals and competitions as the *half cohort* progresses through secondary school.

Let me thank the amazing range of volunteer teachers without whom our sports would not operate. Thank you also to the extremely efficient and hard working SSWA Office Staff and to the members of the Secondary Management Committee for their diligence and dedication to School Sport in Western Australia.

PETER SINCLAIR
SSWA SECONDARY VICE PRESIDENT

Dear Members,

Audit of School Sport Western Australia (SSWA): Year to 31 December 2009

The audit of SSWA for the year ended 31 December 2009 has been delayed, due largely to work required to ensure the integrity of SSWA's accounting system.

There is no reason to believe at this stage that the audit will not proceed as normal in due course.

I have not yet reviewed the books and records of SSWA. Accordingly I am unable at this time to report to you on the financial performance or position of SSWA for the year to 31 December 2009.

I apologise for the delay. If you have any queries please contact me.

Yours sincerely,

Julia Preston
