2010 PRESIDENT'S REPORT

INTRODUCTION

SSWA suffered the sad loss of a true Champion in 2010 with the passing of Darryl Bell. Darryl was the driving force behind the vision and emergence of a revitalized Primary School Sport program both at the domestic level and the State level. His enthusiasm and dedication to SSWA is recognised by SSWA in naming the Wall of Fame in his memory for his contribution to all SSWA activities.

I believe that the management group of SSWA has provided the Education Department with a valuable tool for the expansion, promotion and enhancement of SSWA programs offered to all schools. SSWA through its members (i.e. all schools) has again delivered quality opportunities through SPORT for all students. Thanks must surely go to the Convenors, Sport Secretaries and the Sport committees for their conduct of SSWA domestic competitions and acknowledge their hard work, dedication and effort throughout the year in helping present our programs for students. These events epitomise and highlight what SSWA is all about.

School Sport WA has enjoyed yet another successful year with a number of innovations in management and program challenges that have added value to our product of quality competitive sport to students in all WA schools.

One of the most significant responsibilities we have as SSWA members and as educators is to give young Western Australian students a strong foundation on which to build a full and active life. Sport has been linked to positive self-esteem, skill development, skeletal and cardio-vascular health, and general healthy development.

Young people spend a significant amount of time in school and therefore school environments need to be supportive of students being physically active. SSWA programs are an important part of a comprehensive approach to providing this support. School Sport is the vehicle that enables daily and lifelong healthy living practices that are transferred between school, home, the local community and interstate teams. Instilling School Sport values in an educative setting gives opportunities for students to develop their strategic capacity to make informed decisions so as to enable them to lead healthy and active lives.

School Sport values include leadership, respect, fairness, responsibility, resilience and it also instills an ongoing desire to be healthy and active community members. International and local examples highlight the synergies between School Sport and community partnerships.

On behalf of SSWA I wish to extend to you all a sincere welcome to the 2011 AGM and acknowledge the Life Members that are present today. I would like to extend a very warm welcome to our new Life Member in Alby Nuich. Congratulations on your achievement and for his continued contribution to School Sport WA.

School Sport WA is always on the lookout for enthusiastic teachers to get involved in Sport committees, managerial and coaching roles to provide opportunities for students. Members are available to attend sport cell meetings and head of department meetings to promote events and the benefits of participation in SSWA organised programs.

SSWA looks forward to 2011 not only for the challenge of ensuring continued high levels of participation in grass roots competition but also to the hosting of national championships in Perth. We will host the Volleyball in Mandurah in August and Netball at the new Basketball Stadium. We salute and thank the 4,500 plus teachers who assist us in the presentation of our programs and we encourage them to recruit new enthusiastic teachers to help them run the programs ensuring that we have a succession plan in place for the future.

INNOVATIONS

1. PRESENTATION DINNER

The continuation of the new format of the presentation evening was a very successful function. SSWA held its annual Presentation Dinner at Burswood on Swan on Monday 6th December 2010 to recognise our interstate captains, vice captains, medals winners and national representatives along with our interstate officials, sport coordinators, management committee and special guests. We were honoured with Tom Swift from West Coast Eagles and Jeremiah Trueman from Perth Wildcats who attended this function and were interviewed by our MC Peter Vlahos. Special mentions must go to our service award recipients;

10yrs - Brad Spicer, Kelly Wetton, Richard Manning

20yrs - Alison Moore, Peter Sinclair, Alby Nuich, Ros Fisher

2. THE ANNUAL CHRISTMAS VOLUNTEER FUNCTION

For all Management Committee members, Sport Coordinators and Interstate Officials a function was held at Kardinya Bowling Club where members enjoyed the social and competitive aspects of lawn bowls and a catered lunch. It was well supported and proved to be a valuable way of rewarding and thanking our large family of volunteers.

3. WALL OF FAME

SSWA officials launched the **School Sport WA Wall of Fame in memory of Daryl Bell** at the SSWA Presentation Dinner on 6th December 2010. The Wall of Fame has been named in memory of Darryl Bell for his vision and dedication in seeing the wall of fame become a reality. 4. SSWA FIRST REGIONAL NATIONAL EVENT

The Boys and Girls Hockey Championships were held in Bunbury and Busselton. It is the first time for many years that a National Championship has been held regionally. The event was a great success and received outstanding support from the local communities.

SECONDARY SPORT

SSWA continues its commitment to all students in WA schools with a comprehensive and diverse offering of sporting opportunities. SSWA domestic programs in secondary sport continues to flourish, with our major events Swimming and Track and Field increasing in number of competing students. Our Senior High Schools Country Week and the District High School Country Week continue to be highlights of country students. Both these events are becoming bigger and better every year.

PRIMARY ADVANCES

School Sport WA Primary is fast establishing a reputation for the provision of high quality sporting events for primary schools. The SSWA Primary Management Group is developing its operational structure and is forming a management process that will bring it more into line with our eastern state counterparts. Our focus for Primary Schools is to offer the opportunity to be involved in centrally coordinated quality interschool events in a number of sports. We have continued to "Build the Base" at the primary school level and have fostered the stronger links with parent sporting bodies. The expansion in number and variety of sports presented, the increased participation numbers for events, and entry into the School Sport Australian Exchange program is exciting and encouraging. Participation at the SSA level is steadily increasing as the base of sports at the "grass roots" level grows and more parents and State Sporting Organisations get on board.

OUTSTANDING ACHIEVEMENT

Congratulations to the following teachers who were appointed to School Sport Australia national coaching/management positions in 2010;

Cross Country – Alison Moore

Boys Hockey – Andrew Mellow

CONCLUSION

I would like to take this opportunity to personally thank Wayne Baseden and Alex McLennan for their excellent service to the Association as acting Executive Officers early in the year. Their efforts were greatly appreciated. A very warm welcome to Jenny O'Brien who has taken over the role as the Executive Officer for SSWA.

On behalf of School Sport WA I would like to thank the Office staff of Peter Smith, Jenny O'Brien, Zoe Prue, Christine Sheen, Sally Zirniss and the SSWA Management Board for their excellent contribution to increased efficiencies, their professional work ethic and outstanding contribution in running and promoting School Sport WA. On behalf of School Sport WA, I applaud this generous donation of time that is freely given by so many of our volunteers; I believe participation in our programs allows students to achieve a wide range of educational outcomes. Once again I look forward to the coming year for your continued support, effort and dedication in helping organise and coordinate school sport as part of the wider family of School Sport WA.

PRESIDENT
SCHOOL SPORT WA (Inc)**

2010 SCHOOL SPORT WA DIRECTOR'S REPORT

School Sport WA suffered a sad loss in 2010 with the passing of Darryl Bell. Darryl was the SSWA Executive Officer from 2007 to 2009, held the position of Primary Management Committee Chairperson from 1999 to 2009 and a well respected coach of our interstate Basketball teams for over 10 years. Darryl was made a life member of School Sport WA in 2009 for his contribution of many hours to SSWA activities and was a valued and highly respected member of our organisation.

SSWA officially launched the School Sport WA 'Darryl Bell' Wall of Fame at the SSWA Presentation Dinner in December. The Wall of Fame was named in memory of Darryl Bell for his vision and dedication in seeing the wall of fame become a reality. The Wall of Fame is designed to recognise athletes who have represented SSWA through the interstate program and have excelled in their sport to a national or international level.

School Sport WA would like to thank Wayne Baseden and Alex McLennan who acted in the Executive Officer position early in the year and assisted in the efficient operation of many events and activities during this time. SSWA welcomed Jenny O'Brien to the Executive Officer position in June 2010.

I would like to thank the office staff of Zoe Prue – Sports Administrator, Christine Sheen – Finance Officer and Sally Zirniss – Education Department Trainee for their outstanding commitment to SSWA over the year. The SSWA AGM was held in April and all management positions were filled. Murray Farr continues in the role of President with Peter Sinclair re-appointed Secondary Committee Chairperson and Peter Della-Vedova appointed Primary Committee Chairperson.

SSWA hosted three National Championships in 2010. The Baseball Championship in May was held at Baseball Park, Thornlie. The AFL Championship was held in July utilising several grounds around Perth. The ALF Championship saw SSWA enter a team in the AFL 12's competition for the first time. The Boys and Girls Hockey Championships were hosted in Bunbury and Busselton. This was SSWA's first National event to be held regionally for many years and the support we received from the local community was outstanding.

SSWA participated in 21 School Sport Australia Championships in 2010 which involved 572 students and 89 staff in 32 teams attending events all around Australia. The Boys 15s AFL team and Boys Volleyball team were both successful in winning the National Title.

Congratulations to the AFL boys 15yrs team and the boys Volleyball team on winning the School Sport Australia Championship titles in 2010.

Our Country Week events are still a highlight on the SSWA event calendar and continue to be strongly supported by regional schools attracting strong media coverage by local press. Senior High School Country week brings over 3500 students and staff to Perth for a week long sporting carnival in July and District High Schools Country week sees almost 1000 staff and students from smaller and remote schools attend.

Our Champion Schools program continues to flourish under the direction of our sport coordinators. In 2010 the Primary Basketball Champion Schools event saw Basketball WA taking on the overall organisation in conjunction with School Sport WA. With the support of their local State League clubs the event has now gone regional. The traditional one day carnival, now known as the Association's Cup, has grown to 8 regions with 23 schools involved and 73 teams nominated. We look forward to seeing this event grow further in 2011.

SSWA takes this opportunity to thank all students, teachers and key delivery agents who assisted in any way with the presentation of School Sport WA in 2010. Special thanks to the management committee, the sport coordinators and their committees for their untiring voluntary efforts.

School Sport WA looks forward with anticipation to another busy year in 2011 and to the continued support of teachers in schools who volunteer their time to planning and preparing teams for events on behalf of their students.

PETER SMITH
SSWA DIRECTOR OF SPORT

2010 SECONDARY MANAGEMENT COMMITTEE REPORT

2010 was a very successful year for Secondary School sport. The quality and number of sporting opportunities afforded to students and teachers alike continued to grow in both quality and quantity. Thanks again to the vast number of teacher volunteers. Our Interstate and Champion Schools Competitions included tens of thousands of secondary school students.

SSWA competed in 18 sports at secondary state level, sending away 26 teams or contingents. SSWA Office conducted our flagship events of secondary Swimming and secondary Track and Field Carnivals; and again we saw increased numbers competing in the annual Country Senior High Schools Carnival and also in the District High Schools Carnival. Additionally, WA successfully hosted National Championships in Boys and Girls Hockey and Boys and Girls AFL Football.

Champion Schools competitions were conducted in 27 different sports involving thousands of teachers and tens of thousands of students. Every school week of the year, thousands and thousands of school children engage in active, healthy, well structured sport through the Champions Schools Competitions.

The Secondary Management Committee continues to meet regularly to review policies and procedures as they relate to secondary school sport. Thank you to our Regional representatives for their ongoing work in linking SSWA and Sport in secondary schools. The network created through our regional representatives ensures we are linked directly to teachers in schools, allowing us to respond more directly to their needs. Our South West region continues to grow and 2010 saw the retirement of our South West Regional Officer (and former SSWA President and Life Member) Ian McMahon. We welcome Tracy Cameron to the role and wish her well for 2011.

Finally, let me thank the amazing range of volunteer teachers without whom our sports would not operate. Your efforts are the mainstay of SSWA. Thank you also to the extremely efficient and hard working SSWA Office Staff and to the members of the Secondary Management Committee for their diligence and dedication to School Sport in Western Australia.

PETER SINCLAIR
SSWA SECONDARY VICE PRESIDENT

2010 PRIMARY MANAGEMENT COMMITTEE REPORT

The Primary sector continues to grow in the interstate area. There are a variety of sports that are now part of the interstate calendar and this is pleasing to see. The commitment and dedication of the team managers and coaches is to be commended. The Primary sector is certainly a growth area for SSWA.

WA hosted the National AFL Championship in Perth in 2010 with a Primary team competing for the first time. The selection process was quite rigorous in selecting a team of 23. The boys in the team acquitted themselves superbly and they were most competitive with the other AFL states. The coaches and managers did a wonderful job in fostering the ethos of School Sport while encouraging the players to compete vigorously.

The Primary Cross Country was again a huge event held at UWA Sports Park in Mount Claremont. The number of participants has peaked at about 1500 but the event is a major part of many schools' running calendar. The weather isn't always kind to the organisers but the day is always enjoyed by all. The organisers do a superb job in making sure the event runs smoothly and efficiently at all times.

It is pleasing to see the number of Primary teachers who are becoming involved in SSWA events. Many are then stepping up in to management and coaching roles at the interstate level. The challenge still exists for our organisation to encourage more teachers to participate as leaders in the events overseen by SSWA, both at the interschool and the interstate levels.

The role of SSWA has been well documented and it does play the most significant part in providing sporting opportunities for students in WA schools. The volunteers are an essential part of our organisation being able to provide these events for our students. However, the role of the SSWA office staff cannot be underestimated. The hard work and dedication of the office team is another critical factor in the quantity and quality that is offered to WA students. Our sincere thanks to Peter Smith, Jennifer O'Brien, Zoe Prue, Christine Sheen and Sally Zirniss.

This year we have seen the election of Lorraine Feddema to the Primary Management Group. She has been a keen contributor in the meetings and she is taking a hands-on role in a number of areas.

It was a sad day on the 14th July, 2010 when one of our stalwarts passed away. It was a blow to the SSWA family to lose such a dedicated and hard working member in Darryl Bell. Darryl was largely instrumental in developing the Primary sector to what it is today. He greatly treasured his Life Membership of our organisation. He was very proud of SSWA and the opportunities that it provided for WA school students and his legacy is that we continue to expand these for the students of the future.

Many thanks to the Primary Management Group of Daryl Mansfield, John Lawniczak, Robyn Brierley, Alex McLennan and Lorraine Feddema. Your efforts are much appreciated.

Peter Della-Vedova

SSWA PRIMARY VICE PRESIDENT

Independent Audit Report
To The Members of School Sport Western Australia (Inc)

Scope

I have audited the Accounts of School Sport Western Australia (Inc) (SSWA) set out on the attached pages 1 to 3 for the year to 31 December 2010. The Treasurer of SSWA is responsible for the preparation and presentation of the financial report and the information contained therein, and has determined that the basis of accounting used is appropriate to the needs of SSWA Members. I have conducted an independent audit of the Accounts in order to express an opinion to the Members of SSWA on their preparation and presentation. No opinion is expressed as to whether the basis of accounting used is appropriate to the needs of the SSWA Members.

The Accounts have been prepared for the Members of SSWA. I disclaim any assumption of responsibility for any reliance on this report or on the Accounts to which it relates, to any person other than the SSWA Members, or for any purpose other than that for which it was prepared.

My audit has been conducted in accordance with Australian Auditing Standards. My procedures included examination, on a test basis, of evidence supporting the amounts in the Accounts and the evaluation of significant accounting estimates. These procedures have been undertaken to form an opinion as to whether in all material respects the Accounts are presented fairly in accordance with conventional accounting standards.

Audit Opinion

In my opinion, the Accounts present fairly the financial position ("Balance Sheet") of SSWA as at 31 December 2010 and its financial performance ("Profit/Loss Statement") and cash flows for the year then ended.
