

### **EXCURSION MANAGEMENT PLAN**

Last updated: 22/01/2024

SSWA is contracted by the Department of Education through a Grant Agreement to provide sport experiences and opportunities for all students in WA schools.

The Grant Agreement with the Department of Education requires SSWA to:

- Maintain appropriate insurances in relation to the provision of the service
- Ensure that WWC criminal record checks have been completed on all volunteers and employees
- Conduct activities in accordance with the DoE Excursions in Public Schools Procedures

SSWA Team Combined 12s and 16 Girls and Boys Basketball				
Excursions to:	Gold Coast, Qld			
No of Students	,			
Water based activities	No			
Departure Date	Friday 26 July 2024			
Return Date:	Return Date: Friday 02 August 2024			
Tour Leader	Kelvin Browner			
Documents Held by SSWA	Names, addresses (home and away) and contact details of students, supervisors and emergency contact	$\square$		
	Up-to-date student health care plans and information	V		
	Parent/Carer/Guardian consent forms [Team Acceptance Form]	V		
	Detailed itinerary and accommodation details [see below]	☑		
	Copy of insurance certificate(s)	V		

## 1. Educational purpose of excursion

The proposed excursion has a clear educational purpose in the context of the syllabuses of the K-10 Western Australian Curriculum and/or senior secondary WACE courses / programs.

Details: The excursion adds value to the school sport program allowing selected students an opportunity to compete at an elite level. Included in the program is an educational experience where students can encounter local history and culture.

## 2. Educational benefit of excursion

**V** 

The excursion will significantly enhance student outcomes and achievement in a manner that cannot be done in the classroom/school environment.

Details: As a result of this excursion, it is expected that students will develop:

• Skills and understanding necessary for them to compete at the next level

the excursion or any activities scheduled for the excursion are unable to proceed.

- Leadership skills that enable them to participate in a team environment
- Awareness of social and cultural differences

### 3. Venue/site for the excursion

 $\overline{\mathbf{V}}$ 

The venue or site for the excursion is suitable for the student group

Details:

	Name of Venue	Address	Phone No
	Gold Coast Sport and Leisure Centre	296 Nerang Boraodbeach Rd, Carrara	(07) 5581 1548
Event Venues			

4. Risk Assessment	<b>V</b>
The risk management plan covers proposed alternative arrangements in circumstances where part of	

The risk assessment considers and documents: the number of students, their age range, and the students' experience, capacity and behaviour.

0,	apolicitos, capacity and policitical.
	the excursion venue/site and any potential hazards and risks associated with the proposed activities at that venue.
	the method of transport to the excursion venue and all activities.
	issues that might arise due to the length of time of the excursion and/or possible weather events.
	additional risks and supervisory requirements associated outdoor education and recreation
	activities and strategies for student safety in accordance with Outdoor Education and Recreation
	Activities for Public Schools Policy (2019);
	additional risks and supervisory requirements associated with land-based recreational activities.

additional officials. A minimum of three officials travel with each team and mixed gender teams will have mixed gender officials.  Students will generally be under the direct supervision of team officials. However, there may be occasions such		D					
B. Approvals as required, and from principals of any other schools attended by participating students, have been obtained.  Details: All approval forms are held by SSWA  6. Students' capacity  Participating students have the capacity to undertake the excursion as evidenced by the student health care plans and information.  Details: Team members have been selected as sporting representatives according to the published team selection policy, their skill level and attitude, and have been identified as the best students available to represent the State. Information relating to the team member's health is required from parents. Students' fitness and health is monitored throughout training and competition and if there are any concerns, medical attention is sought.  7. Supervisory Team  An appropriately qualified supervisor, a suitable supervisory team, supervision strategies and a system for identifying excursion participants, have been established. Supervision strategies have been established with the supervisory team has been appointed in recognition of their expertise in the sport as well as being familiar with DCE and SSWA rules and guidelines for a student touring team. All teacher team officials have current TRB membership and hold a current WWC card. Officials who are not registered teachers hold a current WWC card. Officials are aware and accept that they are required to be on duty for the duration of the excursion. For Swimming and Diving, appropriate recognised qualifications are held as described in the Recreation and Cutdor Ed Activities in Public School Procedures. Gender balance is considered when appointing officials. Each state team will have a minimum of one official to every ten students and teams may at times be allocated additional officials. Not applicable	
12. Accommodation	$\overline{\mathbf{Q}}$
Safe and secure accommodation arrangements have been made. Home Championship – all students will	
be staying in their own homes.	
13. Students who are billeted	V
SSWA policy does not allow billeting of students.	
14. Emergency response planning	V
An emergency response plan (including full contact details for supervising staff) has been developed,	
provided to and retained by the principal of the school.	
Details: SSWA retains copies of all tour documentation.	
Officials have copies of relevant medical and contact information for team members.	
Officials will ascertain and apply the emergency response plan of the venues.	
In the case of an accident or medical emergency officials will assess the situation. Where appropriate pare	ents
will be contacted for instruction. If an accident or emergency is deemed of a serious nature, officials will arrange to the contacted for instruction.	nge
medical assessment and treatment and contact parents as soon as possible.	
15. There are clear procedures to be followed in the event a student's participation in the excursion is	V
terminated.	
16. Working with children checks	V
There is a valid WWCC for each supervisor/adult travelling on the excursion.	
17. Detailed cost of excursion	V
The excursion has been properly costed, with details of staff costs including expenses and teacher relief.	
The excursion has been properly costed.	
Parents/carers/guardians have been informed of all fundraising provisions.	
18. Anticipated cost of staff participation	
All staff expenses including Teacher Relief are covered by School Sport WA	
19. Insurance cover	
Travel insurance for students has been arranged through School Sport WA and information has been	
provided to parents/carers/guardians. All documents have been retained and appropriately stored.	
Sports Cover insurance has been arranged by SSWA to cover all students for sports injury.	
Details: SSWA has an insurance policy to cover those participants travelling to and from the	
championship under the duty of care of the SSWA team officials.	
The Sports Cover insurance covers all students in the State Teams.	
20. Waivers	$\overline{\mathbf{A}}$
No waivers have been or will be signed, that absolve venues/external providers from liability for negligent	
acts or omissions.	
21. External providers	☑
Where external providers are engaged, they have proper and current insurance cover and staff	
responsibilities have been established.	
All documents have been sighted and available on the SSWA website.	
Details: SSWA officials will retain responsibility for health care. All venues on the formal itinerary have be	een
assessed as suitable by SSWA. Any venues visited on a spontaneous basis (such as shopping centres, tou	ırist
venues, restaurants etc.) will be assessed by tour officials when attending such venues.	
22. All documents have been retained and appropriately stored.	V
23. Information to parents/carers/guardians for their consent to participate	
Parents/carers/guardians have been provided with full details of the excursion and have provided signed,	$\overline{\mathbf{A}}$
and informed consent to participate.	
Information provided to parents is available at <a href="https://www.schoolsportwa.com.au">www.schoolsportwa.com.au</a> .	
A formal parent information meeting is conducted prior to final team confirmation.	
A team Presentation Evening is also conducted to provide last minute information.	
Parents of team members have been provided with full details of the tour, including travel arrangements,	
itinerary, contact details and medical coverage. Parents have given signed written permission for the	
student to attend as well as insurance information relating to their child.	
24. Students who are over 18 years of age have been provided with full details of the excursion and have	V
signed an Excursions Participation Agreement, (if applicable).
