1. Educational purpose of excursion

The proposed excursion has a clear educational purpose in the context of the syllabuses of the K-10 Western Australian Curriculum and/or senior secondary WACE courses / programs.

Details: The event is an extension of the school sport program allowing selected students an opportunity to compete at an elite level. Included in the program is an educational experience where students can appreciate part of the local history and culture.

2. Educational benefit of excursion

The excursion will significantly enhance student outcomes and achievement in a manner that cannot be done in the classroom/school environment.

Details: As a result of this excursion it is expected that students will develop:

- Skills and understanding necessary for them to compete at the next level
- Leadership skills that enable them to participate in a team environment
- Awareness of social and cultural differences

3. Venue/site for the excursion

The venue or site for the excursion is suitable for the student group

Details:

	Name of Venue	Address	Phone No
	Adelaide University Playing Fields	War Memorial Drive, North Adelaide 5006	NA

4. Risk Assessment

The risk management plan covers proposed alternative arrangements in circumstances where part of the excursion or any activities scheduled for the excursion are unable to proceed.

The risk assessment considers and documents:

the number of students, their age range, and the students' experience, capacity and behaviour; the excursion venue/site and any potential hazards and risks associated with the proposed
activities at that venue;
the method of transport to the excursion venue and all activities;
issues that might arise due to the length of time of the excursion and/or possible weather events;
additional risks and supervisory requirements associated outdoor education and recreation
activities and strategies for student safety in accordance with Outdoor Education and Recreation
Activities for Public Schools Policy (2019);
additional risks and supervisory requirements associated with land-based recreational activities;
