

DHS COUNTRY WEEK 2024 BULLETIN 3

Results App

As discussed at the School Delegates meeting last Friday the Fixtures are marked as final and the SSWA results app can now be viewed. We are just waiting on Hockey and Futsal to appear. If you see any conflicts between the app and what is on the actual fixtures on the website please let us know ASAP.

If you don't have the app see the picture below. Can be downloaded from the relevant app store.

Post Country Week Coordinators Meeting

A post Country Week Coordinators meeting will be held on Wednesday 10 October via WebEx starting at 3.30pm. It is important that at least one representative (preferably the CW Coordinator) from each school be present at this meeting. A meeting invite will be sent after the week is complete.

Country Week Survey

Once the week is done and dusted please complete the DHS Country Week Online Survey while the week's events are still fresh in your mind. This can be accessed through the DHS Country Week webpage or using the link below. Ideally if this could be done prior to post Country Week Coordinators Meeting.

Communication During Country Week

I will be setting up a **WhatsApp** group for School Country Week Coordinators. This group will be the main communication tool to be used throughout the week. Any general issues will be disseminated using this app. Any major / urgent issues please don't hesitate to give me a call. If the call goes to message bank please leave a message and I will return your call as soon as possible. Alternatively please feel free to contact any of the other SSWA office staff (contacts found in handbook).

Bona Fides

Thank you to the schools who have already sent in their Bona Fides. We are waiting on one school to send these through. If there are any changes / updates required, please see the relevant Sport Coordinator on the Monday morning upon arrival at the venue. The Sport Coordinators will have a copy of the Bona Fides with them.

Opening Ceremony

If you are running late for the Opening Ceremony please keep me informed either through the WhatsApp group chat or send me a text message. We will have event officials to assist with directing schools into the stands. We ask that schools first in to fill the stand at the section furthest away from the court entry door.

Active Achievers

Thank you to the schools that have sent in their Active Achiever nominations. Please have your Active Achievers sit on the seat allocated to them on Court 1. A certificate will be on the seat that has their name on it. These seats will be set up at the end closest to the access door to Court 1. An SSWA staff member will be around to assist students if they are unable to locate their seat.

School Captains

We ask that the School Captains meet outside Court 1 and make themselves known to the SSWA Event Official who will be located in this area. They will be lined up in the order ready to enter once they are called. They are to follow the instructions given prior to entering the court.

Trophy / Shield Returns

We ask that the Team Captains from the schools that are returning these trophies / shields sit in the designated seats (seats where the Basketball teams sit on the bench) on Court 1. Again we will have a designated SSWA staff member available to assist. At the appropriate time they will be asked to come forward and handover the awards. Once they have handed these over they may return to sit with their school or back to where they were originally seated.

SSWA Country Week Merchandise

As mentioned previously School Sport WA has an agreement with Sports Centre for the provision of Merchandise at our events. Students have the opportunity to pre order items for collection on arrival at Country Week or alternatively they can purchase them from the merchandise stand that will be set up at Bendat Stadium for the duration of the week. The link to the online store can be found below. Pre-orders can be done but orders must be done as soon as possible in order for the item(s) to arrive in time for pick up at Bendat Stadium on day one.
