Nominations Due

All Metropolitan Events- **Monday 24th February**
Country Events: **Friday 14th February**

Players CAN compete in both Herbert Edwards and Mursell Shield but players CANNOT compete in both the Mursell Shield and Slazenger Cup events of the Fuel to Go and Play Schools Tennis Classic.

2. TEAM MAKEUP

Prior to the start of play, Teachers must rank players in order of merit based on ability level (e.g., Player 1 is the strongest, Player 2 is second strongest etc. It is recommended that teams list their players in UTR order where applicable*)

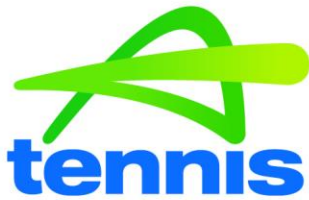

In all events, teams must comprise a **minimum of 4 players per team**, with a **maximum of six (6)**. In the case of a 5-6 player team, players can change mid-round and/or after each round. **In the case of an injury, a player may be replaced mid-round, but not mid match.**

If a substitute is required for a team this person will enter the team in the order of merit, as approved by the teacher. The rest of the team shall move up/down accordingly. A player playing as a substitute cannot be a player from another Fuel to Go and Play Schools Tennis Classic event. Once a player has played as a substitute, he or she may not enter any other Schools Tennis Classic event or team. Only those players involved in a match on court are allowed in the court during match play.

- The Slazenger Cup, Mursell Shield, Herbert Edwards Cup and Metropolitan Academy Plate events have a separate boys' and girls' competition, with teams comprising of four (4) to six (6) players.
- The Country Academy Plate is a mixed gender competition. Teams must comprise of a minimum of two boys and two girls*.
- Tennis West recommends/encourages that the singles component of all country academy plate events consisting of two boys and two girls where applicable.
- The Country Academy Plate doubles format is mixed gender comprising of 1 boy and 1 girl. In doubles the top singles players must play against the opposing teams top singles player.

*Applications may be made to Tennis West for dispensation to enter a mixed team in the Academy Plate Event with a team makeup outside of that stated above.

3. ORDER OF PLAY (ALL EVENTS)

The order of play shall be no.1 and no.2 singles followed by no.3 and no.4 singles. **Doubles matches will follow at the completion of singles matches, with the double's pairings being as follows:**

- **Academy Plate, Herbert Edwards and Mursell Shield (during school events)**- The no.1 doubles pair to consist of the no.1 singles player and his/her partner
- **Slazenger Cup (after school event)**- The no.1 Doubles pair consists of the no.1 highest Rank (UTR) doubles player and his/her partner
- The no.2 doubles pair to consist of the other two players (including substitutes)
- **The Country Academy Plate** is mixed gender doubles, with the number 1 players for each school playing in the number 1 doubles pair, and no.2 doubles pair to consist of the other two players (this can include substitutes)

In all competitions the team singles order must remain the same throughout the entire competition as those listed by the team captain on the first fixture card.

Teams must have all players ready to commence at the appointed time. Teams short at that time shall forfeit the relevant match after 15 minutes if there is a court available to start their match.

4. TOURNAMENT FORMAT (ALL Academy Plate, Herbert Edwards and Mursell Shield, EVENTS)

Matches will be played on a **timed basis with 10-minute matches** (may change at the discretion of the tournament director) and players shall finish the point when time is called. If the game score is a tied, players will play a sudden death point to determine a winner.

Within the **Round Robin Phase** of the competition, students will play:

- First to 21-point match
- Players serve for 2 points then change
- Change of ends occurs every 10 points
- If scores are tied at 20-all, players will alternate serve every point until a two-point advantage is achieved or the match time runs out (in which case a sudden death point is played if scores are tied).

Due to time constraints or delays, the scoring format for finals may change at the discretion of the tournament director and agreed upon by both school / team managers.

ACADEMY PLATE (ALL REGIONS)

This event will be played using Tennis Hot Shots **LOW COMPRESSION Green Balls**. A drop or bounce serve will be allowed for a student's second serve if they require.

SLAZENGER CUP

The tournament is held at the State Tennis Centre, with the QF and SF rounds to be played on one afternoon after school. The draw will be a knockout draw with a maximum of 8 teams. Matches will be played in a format of 2 Full sets with a MTB at 1 set all. Team acceptance is based on average UTR of top 4 players.

5. DETERMINING A MATCH WINNER

ROUND ROBIN & FINALS (ALL Academy Plate, Herbert Edwards and Mursell Shield EVENTS)

The winning team will be determined in the following way:

- A round shall be decided by the number of rubbers won. If the rounds are tied at 3 rubbers each, points from all matches will be added together, and the winner will be the team with the highest ratio of points-won to points-lost.
- In the event of a tie, the last doubles pair will play a Fast 4 Tie-Breaker (first to 5) to determine the winner

TEAM POINTS CALCULATION (ALL EVENTS)

Points will be award on the following basis:

- 1 point per Rubber won
- 4 points for the Overall Winner of the Round
- 1 point for the Loser of the Round
- There is a Total of 11 points on offer per Round.

FINALS QUALIFICATIONS (Academy Plate, Herbert Edwards and Mursell Shield EVENTS)

Following the Round Robin Pool matches, the winner of each pool will be entered into elimination finals draw.

Mursell Shield, Herbert Edwards and Academy Plate

The winning teams of each pool will be drawn together and compete in an elimination finals event for the Mursell Shield/Herbert Edwards/Academy Plate.

Mursell Shield Div 2 and Herbert Edwards Div 2

The teams that finish 2nd in their pool play-off, will be drawn together to compete in an elimination finals event for the Mursell Shield/Herbert Edwards Div 2.

INJURED PLAYERS & PLAYER ELIGIBILITY

- If a team is unable to field a team of 4 players but has enough to field 3 eligible players, the tie will still take place. The fourth singles rubber and the second doubles rubber will be awarded to the opposing team 21-0 (4-0 in Championship Match).
- Therefore, it remains possible for a team of three to win if all three players win their respective singles and doubles: for example (4 rubbers to 2).
- The team must have commenced the day with four eligible players.

- If in the Country Academy Plate, a team does not meet the minimum player requirement, any additional players will be regarded as an ineligible player.

6. SCHOOL RESONSIBILITY

Schools are responsible for ensuring:

- A teacher / supervisor is provided, as specified, for each event.
- They obtain the most up to date information from Tennis West and School Sport WA.
- Communication of the rules, dates and any important information to players and parents.
- Students are informed of the alternative dates of play, should rain or some other unforeseen circumstance disrupt play.

7. TENNIS AUSTRALIA PRIVACY POLICIES

All competitions and matches must be conducted in accordance with the Tennis Australia Privacy Policy, which can be found <https://www.tennis.com.au/privacy>
